

Vendor Information and FAQ

- Vendor numbers will be marked on the pavement in the location you are assigned. Vendors will supply own tent, table, power, water and health department documents, if needed.
- Vendors will have booths set up and vehicles moved to appropriate parking lots no later than 9:00am and stay setup until 4:00pm. Vendor parking is provided, with attached vendor pass, on a first come basis at Rocky Mount Baptist Church and on Manor St. Entry may be denied after 9!
- Vendors are asked to list booth space number and contact information on the attached forms and leave a copy on your dash board and booth to ensure entry to parking in case of emergency.
- Vendors are asked to say you are attending 'Franklin County Court Days' event on Facebook, share event page and invite your friends to attend. Helping us to promote the event helps you.
- All maps, event schedules and vendor information will be available Thursday June 9, 2016 on Facebook and <http://historicrockymount.com/court-days-franklin-county>.

*Thank you for participating! We look forward to partnering with you in the future.
